DISPATCH MANAGEMENT

Manage your work site details and contact information to avoid time and equipment loss. Track your pick-up/delivery fleet using integraRental daily dispatch dashboard. View schedules to set delivery and pickup expectations with customers. View driving directions with Google Maps integration. Define delivery zones for auto calculation of pick-up/delivery fees.

DELIVERY AND PICKUP

- Capture job site information and detailed notes to support delivery and pickup operations
- Filter and display lists of all equipment that needs to be prepped, delivered, picked up or replaced on any given day of the week
- Assign Delivery resources and create resource specific task lists

The screenshot shows the 'Dispatch Rental Asset' page in the integra Rental Management system. The page includes a navigation sidebar on the left with options like Home, New Reservation, Return, Reservations, eRental, Rental Agreement, Service Repair, Dispatch, Rental Asset, Dispatch Activity, and Billing. The main content area displays a table of dispatch activities with columns for Type, Date Time, Priority, Delivery Resource, Asset Description, Quantity, Location, Customer, Delivery Pickup To, Zone, Location, Rental Type, and Actions. A dropdown menu is open over the 'Type' column, showing options: Select all, Prep, Prep & Delivery, Pickup, and Replace. The table contains several rows of data for various equipment types like GR Machine, Nifty - Manlift, Honda Generator, Switchboard, Port a Scrub, and Heavy Duty Brush.

- Add additional detail, notes and review current scheduled dispatch activity to set a date/time for delivery and pickup up of rental items

The screenshot shows the 'Dispatch Info Pop-Up - Delivery' form. It has two tabs: 'Dispatch Detail' and 'Dispatch Availability'. The 'Dispatch Detail' tab is active. Fields include: Type (Prep & Delivery), Dispatch To (Job Site), Priority (1-Urgent), Dispatch All Items (checked), Agreement Start (6/27/2017 3:52:00 PM), Dispatch* (6/27/2017 4:25 PM), Delivery Resource* (empty), 3rd Party Order Number (empty), 3rd Party Cost (0), Actual Pickup (empty), Actual Drop Off (empty), Check Out On Drop Off (unchecked), and Dispatch Note (Ask for Tom when dropping off to get specifics on where equipment needs to be located). There are 'Cancel' and 'Save' buttons at the bottom right.

GOOGLE MAPS

- Click to determine customer or job site location and get directions for delivery / pickup
