ENABLE CUSTOMERS TO CONDUCT BUSINESS 24/7

When customers are looking and deciding to make a purchase, they begin by searching online. Your business website is the showroom and your customers will browse, research products and compare product features while determining if the product is the right choice for them. A couple of clicks and your customers can make their decision, add products to their shopping cart and make a purchase. integraE-Commerce has a modern looking interface to represent your company and is search engine friendly, which helps your customers find your customers find your information quickly and easily.

INTEGRATED WITH INTEGRASUITE OF PRODUCTS

We've taken the 15+ years of experience providing integrated E-Commerce solutions for our customers, combined with modern E-Commerce designs and technology resulting in a ground up redesign of our E-Commerce solution. Our integraE-Commerce solutions will change the way a business conducts sales, orders and all other areas of business. Whether the business needs an E-Commerce solution on a small, medium or large scale, integraE-Commerce will streamline business procedures and increase sales. Completely integrated with the integraSuite of products, there will be seamless interactions with iRep, ERP and any other integraSoft software a business is currently running.

- **Modern** looking user **interface** to represent your company.
- Supports **mobile devices** for shopping anytime and anywhere.
- **Search Engine friendly** helping new customers find your products online.
- **Integrated** E-Commerce into your entire web site and online brand.
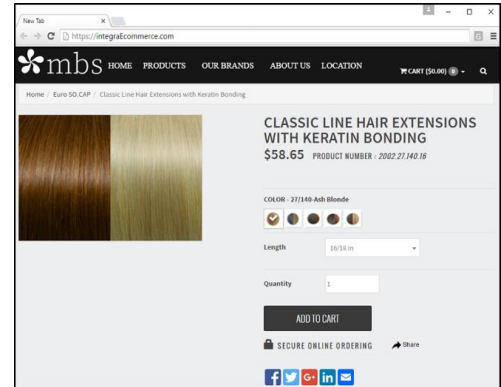

SELL ANYTIME, ON ANY DEVICE, ANYWHERE WITH INTEGRAE-COMMERCE

The ability to conduct business on a variety of devices is critical to every E-Commerce solution. Sales reps need easy, secure access to the information they need, when and where they need it, on any device they choose (mobile phones, iPads, tablets and laptops). integraSoft integrates across devices, software and security to ensure businesses have the tools a business will need are readily available.

SOLUTIONS FOR EVERY BUSINESS STAGE
